**Where can I vote during the early voting  
period?**

Voting during the early voting period couldn't be  
easier and more convenient! Registered and  
eligible voters may vote at ANY early voting  
location located in the county of residence.  
Whether you are at home, work, or out running  
errands, you will be able to find a polling place near  
you. Every voting location will be populated in our  
search site "My Voter Place" two days prior to the  
first day of early voting. You may want to contact  
the "Balls, Status, Clerk to State and County Elections"  
in your county for early voting locations. Also, many  
newspapers publish early voting polling locations.

Note: Polling place hours vary at each early  
voting location.

in a specific "precinct" or area within the county  
where you will vote on Election Day. In some  
cases, precincts may be combined to

[REDACTED] Just to clarify... if someone is not registered here can they still vote in the msc?

[REDACTED] Are they registered in Waller County?

[REDACTED] No. If they aren't registered here they have to go to the Waller County election office (next to the court house) and they can do a limited ballot. I suggest that if they know for sure they aren't going to make it home to vote. [REDACTED]

Will Waller County guard or continue to  
block students' voting rights

Prairie View has a larger percentage of  
Black and Hispanic residents compared  
to other Waller County cities which all  
have majority, White populations.  
Plaintiffs also charge that the early  
voting plan was devised without input  
from Prairie View students or campus  
officials or that of Prairie View's City  
Council.

I'm trying to make it to the meeting  
but I'm stuck in JJ because of the  
rain

Damn it's raining raining ?

It's damn near over

Ok just tell me about it later

Now it's easing up

Artemio Hernandez • Waller County News

So the Panther Party (Democrats) are now giving out free tickets for votes? Talk about walking a fine line between vote buying and encouraging voter turn out. If you want your free tickets the information is below. As for me I'm voting based on my personal belief that too many Black men and women have died to give up the right to vote. I will not cheapen their sacrifice by participating in such an event.

Why he big mad

Lol he said he not coming like we  
wasn't gonna turn up without him

party 😊

I'm dead

something right

Joshua Muhammad

Exactly bc they're too pressed!

That's great news

What did they say? @Joshua  
Muhammad

They talked to my baby 😊

Joshua Muhammad

They said it's illegal to have a party  
only for voters

Too bad it's not just for voters 😊
